Hello everyone!

I hope everyone is well and staying fit and healthy. I know the weather has been a bit cooler and the wind has been making an appearance over the past few days, but I believe the sun is due to visit us again later this week. My garden is certainly thankful for the rain this morning. Our grass was starting to look quite yellow.

I wanted to write to you again to keep in touch with you all and so this is another newsletter especially for you.

## Seesaw

Many of you are continuing to use Seesaw and I am enjoying looking at what you have been up to. Remember if you are stuck with something or you want to share what you have been doing Seesaw is a great way to get in touch with your class teacher. Don't worry if you can't get things loaded onto Seesaw though. We don't expect you all to put every single thing you do on there and we know that many of you and your parents are very busy at the moment and it is not always possible to use Seesaw.

## Facebook Stories

Lots of the staff are continuing to read stories on Facebook for you to enjoy. If your parents have Facebook perhaps you could ask them to have a look for them. We are trying to do two types of story or reading. A picture book story and then something a little longer or a poem. Hopefully then there will be something for everyone to enjoy. We'll try and post something most days through the week.

## Coming back to school

Some of you might have heard on the news or read in the papers lots of people talking about schools re-opening for some children. I want you to know that everyone at school is working very hard at the moment to get things ready so that when it is time to reopen things are all set up. Before it is time to come back I will write to you again and hopefully be able to answer the questions that I am sure many of you will have.

Take care everybody and stay safe.

From Mrs Paisley
